I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Two years ago I started PMSing so
bad I was afraid of myself. I went doctor to
doctor trying to get help. Finally I found a doctor
that told me about Madison Pharmacy Ass.

He got me on the right medicine from Madison
Pharmacy Ass and now I feel great.

I don't know what I would do without
Madison Pharmacy Ass.

A Very Happy
Californian.
